Today's journey is not very long mileage wise but as we enter Yellowstone National Park the driving becomes slow due to mountainous terrain and park speed limits...

On March 1, 1872, Yellowstone became the first national park for all to enjoy the unique hydrothermal and geologic features. Within Yellowstone's 2.2 million acres, visitors have unparalleled opportunities to observe wildlife in an intact ecosystem, explore geothermal areas that contain about half the world's active geysers, and view geologic wonders like the Grand Canyon of the Yellowstone River. The journey time to Old Faithful is around 3 ½ to 4 hours. Continue to our accommodations in Yellowstone NP.

**Overnight Yellowstone NP – No meals included – Touring and Entrance fees included**

**Day 6 – Saturday 14<sup>th</sup> September - Touring Yellowstone NP**

A full day exploring Yellowstone NP

Return to our accommodations in Yellowstone.
