As the whole world remembers the world's most famous luxury liner, Titanic Museum Attraction in Branson, MO. will continue to open the door to the past in it's one-of-a-kind way – letting "passengers" experience what it was like to walk the hallways, parlors, cabins and Grand Staircase of the Titanic while surrounded by more than 400 artifacts directly from the ship and its passengers. As visitors touch a real iceberg, walk the Grand Staircase and third class hallways, reach their hands into 28-degree water, and try to stand on the sloping decks, they learn what it was like on the RMS Titanic by experiencing it first-hand.

Each guest entering the ship will receive a boarding pass of an actual Titanic passenger or crew. Feel their spirit presence in the galleries where over 400 personal and private artifacts are on display. Many are on display for the first time in the world. This collection is valued at over four and a half million dollars. This is a self-guided tour.

Discover your passenger or crew's fate in the Titanic Memorial Room where 2,208 names line this historic wall. The heart of the ship is the Grand Staircase, constructed from the original Harland & Wolff plans with its oak carvings and cherub statue. Here, a magnificent glass dome reflects light off oak wall paneling and elaborate railings and iron scrollwork. Wide, sweeping steps and landings provide a spectacular area where the original guests of the RMS Titanic made their appearances. You'll be surprised to learn what the floor was made of – something considered most expensive for 1912.

After our visit we head for lunch before our afternoon visit to the Branson Music Festival – Experience at least 10 excerpts of the 2024 season of shows all from the comfort of your seat at the Clay Cooper Theater... Music, Dance and Comedy will entertain you throughout the afternoon.
